YOUR RETIREMENT PLAN COMPANY

...providing insightful retirement planning

# Workshops & Webinars

### WHAT we do and WHY we do it…

The Ryding Company places a high value on education, and we don't just focus on our employees! Currently, we offer an in-depth, six-hour workshop that focuses on the complexities of administering 401(k) and 403(b) plans.

Presented in our own conference room, seating is limited to ten participants which allows us to delve into each participant's individual plan and encourages broader discussions among the attendees who range from business owners to human resource assistants.

It's fun (yes… compliance can be fun!), informative, and highly interactive. Whether the employer has a staff of five or 500, the workshop participants find common ground with each other and walk away with a better understanding of the fiduciary requirements and compliance rules surrounding their plan.

### WHEN do the workshops occur, and HOW do they sign up?

- ✓ Invitations are sent out via email and seating is awarded on a first come, first served basis with priority given to those who have not already attended.
- ✓ These workshops are primarily suited to plan sponsors who have at least one employee and sponsor a 401(k) or 403(b) plan.
- ✓ For those who can't travel to Westlake Village, California, we will soon be offering bite-size webinars designed to foster a better understanding of compliance rules and how they apply to your plan.
